*Delta Services is a leading contractor with industrial and commercial customers throughout Kentucky and Southern Indiana; the business holds preferred vendor status with several blue chip customers including UPS, Siemens, and ConAgra Foods*

**NASHVILLE, TN** – Today, State Group Industrial (USA) Limited (State Group) announced the acquisition of Delta Services LLC, a leading Louisville, Kentucky-based electrical contractor. With operations in Kentucky, Southern Indiana and surrounding states, Delta Services has over 230 union electricians and 35 employees, focusing on electrical construction and maintenance, fire, security, communications, utility, and safety systems.

“Our successful sale to State Group is a testament to our team’s collective effort to be the best in providing high quality, value added electrical solutions for our customers and to our commitment to the local communities we serve,” said Kevin Waldron, President of Delta Services. “We’re excited to join State Group as we begin the next chapter of Delta Services’ growth and success.”

Delta Services was founded in 2004 in Louisville, Kentucky. The business prides itself on being the best among the industrial and commercial electrical contractors within the region it operates by exceeding customers’ expectations with high-quality, value-added electrical solutions delivered in a cost-effective, professional, and timely manner.

“The addition of Delta Services provides an exciting opportunity to partner with a company aligned with our own values in prioritizing quality of service, not price,” said Thomas Santoni, President and CEO of The State Group. “Delta Services has a strong brand built on a foundation of nearly 40 years of high quality service. We are proud to welcome Kevin and the entire Delta team into the State Group family as we grow our existing business in Louisville and expand our footprint into greater Kentucky and Southern Indiana.
